Mayor Roper called the public hearing to order at 6:45 p.m. He stated that notice of the meeting time, place, and agenda was posted at the City Building, located at 76 North 200 West and had been provided to the Millard County Chronicle/Progress, KNAK Radio, and to each member of the City Council, at least two days prior to the meeting.

Mayor Roper stated that the purpose of the public hearing was to receive public comment regarding the proposed Delta City Final Budget for Fiscal Year 2000-2001. Mayor Roper noted that this is a tentative final budget, inasmuch as the budget work session will not be held until Wednesday, June 14th. Mayor Roper explained that the budget totals \$3,093,969, a reduction from the previous fiscal year, partially due to the library funding. The budget includes the first payment for the library expansion in the amount of \$10,310. Mayor Roper noted an increase in Street funding, a 3% increase in public safety, complex renovation funding in the amount of \$32,000 for replacing the roof and some exterior work. Also included in the proposed budget is a pavilion, small equipment shed, picnic tables, and park improvements, which are projects carried over from the previous fiscal year. Mayor Roper explained that there is also a carry-over in the Streets budget, in the amount of \$230,000, for improvements to 100 West Street and 300 North Street. Mayor Roper told the Council that he would like to set aside funds for airport runway rehabilitation inasmuch as there is a possibility of some funds becoming available within the next couple of years which would require matching funds.

Mayor Roper then opened the public hearing to comment from the floor. There were no comments received from the floor.
